About this Job

Student Central is seeking a highly motivated, results-driven individual who is excited by the opportunity to join a team supporting the University's student-centred vision through a culture of creating exceptional student satisfaction.

Job Duties

- Providing independent, immediate, proactive, and reactive diagnostic support and problem resolution to students on a broad range of functions including, but not limited to, academic and financial aid eligibility, admission, transfer credit, registration and enrolment issues.
- Through the comprehensive interpretation and application of various policies, procedures, rules and regulations, the Student Central Professional will counsel students on program requirements and eligibility, assessment decisions, options for financial aid and funding, OSAP reviews, as well as the enrolment cycle.

Employment Opportunity

- Reviewing and guiding students regarding account information as well as discussing student financial aid and academic concerns and issues in order to determine the best course of action for the student to pursue while explaining and documenting the ramifications of such courses of actions (i.e. reduction of course load, withdrawals, academic and financial aid appeals, etc.) in an effort to ensure the student is making an informed decision.
- Guiding students through their enrolment in order to become self-reliant in terms of their educational pathways and choices.
- Providing support to many student populations to guide them through their educational journey, and assisting in the execution of proactive recruitment campaigns, early outreach and support initiatives for students.
- Participation in the University's Convocation ceremonies is also part of this role.
- The position requires a high level of customer service and engagement, which may require variable hours of work based on operational needs.

Qualifications

- University degree along with at least 3 to 5 years of experience in a student service advisory role.
- Demonstrated ability to respond to student needs with a holistic approach as well as strong working knowledge of University policies and procedures and the functions within Undergraduate Admissions, Student Awards & Financial Aid, and Academic Advising, Records & Registration.
- Outstanding communication with demonstrated ability to respond to student needs with a holistic approach.
- Ability to analyze and interpret data.
- Excellent critical thinking and advanced problem-solving capabilities along with the ability to use sound, professional judgment in making complex decisions.
- Superior student service skills are combined your ability to work with diverse populations using tact and cultural sensitivity.
- Project management and event planning skills and experience would be considered an asset.
- Proficient with computers, including Microsoft Office, the successful candidate also has a demonstrated knowledge of Colleague (Datatel) as it pertains to Admissions, Student Awards & Financial Aid, and Academic Advising, Records & Registration

As a condition of employment, a Level 1 police criminal record check must be provided by the successful candidate.
