Notes to Approved 14/15 Operating Budget

1. **The Actual Enrolment** for 2013/14 is 7,789 full time equivalent. The 2014/15 enrolment has been estimated after giving consideration to the 2013/14 enrolment and estimating growth from International.

2. **Other income** includes revenues from the Ontario University Application Centre, Late Payment Fees, Interest on the Operating Bank Account, Overhead Income net of Overhead Allocation and other miscellaneous revenues.

3. **Tuition International** includes an additional 85 (90 2013/14) International students that have been budgeted in 2014/15. This represents 275 (190 2013/14) International students above the 2010/11 base for International student revenue.

4 New Sources of Revenue

Other	61
	690

5. **Expenses - Other Costs** include printing & postage, office supplies, classroom & lab supplies, travel, books & related purchases, advertising, telephone, maintenance agreements, legal and audit, insurance, equipment purchases, software and hardware purchases, repairs and renewals, merchant provider costs, external consulting fees, cleaning supplies, interviews & recruitment, memberships, municipal taxes and utilities.

6. **Strategic Initiatives** is an annually renewable fund of \$1,000K (\$1,275K 2013/14) established for the University to make critical strategic investments. The overall amount will remain stable so that having annual funds available will be dependent on avoiding clogging the fund with ongoing operating costs. There are three types of investments: 1) Long-term investments, including permanent staff, to be provided during the start-up phase for programs that have almost certain realizable potential for stable and growing long-term revenues, 2) President's request for initiatives which are relatively small amounts for which units will compete, 3) Temporary and medium term funds including capital equipment, consulting fees, term employees and other start-up funds for new projects. These funds must be related to either increasing revenue or decreasing future costs.

7. Principal & Interest

All amounts included in Principal & Interest are owed as part of the Series A unsecured debenture payable.
