PROGRAM: CONCURRENT PROGRAMS WITH EDUCATION

A. The Honours BA and Honours BSc (Geography) degrees are offered concurrently with a Bachelor of Education degree. Prior to the Professional Year, students should follow the HBA or HBSc program requirements; however, they should also include the prior to entry into the Professional Year requirements of the Primary-Junior, Junior-Intermediate, or Intermediate-Senior Specializations, as listed on pages 70-71. For more information about concurrent programs, see the Faculty of Education, Department of Undergraduate Studies in Education, starting on page xx.

B. The HBES and HBESc in Geography are also offered concurrently with a Bachelor of Education degree (Intermediate-Senior Specialization only).

Note:

For students in concurrent honours bachelor degree programs, 1.5 FCEs of required Education courses will be taken instead of electives in the HBA, HBSc, HBESc or HBES program, prior to entering the Professional Year.

C. The BA and BSc (Geography) 3-year degrees are offered concurrently with a Bachelor of Education degree. For more information about the concurrent bachelor degree programs, see the Faculty of Education, Department of Undergraduate Studies in Education, starting on page xx.
