Calendar Description:

Winter Term. Completion of a thesis, based on individual original research, to be submitted by the date posted by the Department of Geography. Attendance at workshops is required. There will be an oral presentation at the end of the term.

Special note: Students in Geography 4011 and 4013 will be expected to bear the costs of any field research required. Restricted to students in the fourth year of an Honours Geography program.

Prerequisites:

A minimum mark of 70% in Geography 4011.

Course Objectives:

The objective of the winter term thesis course is to continue with the work started in the fall term leading to submission of a final draft of an undergraduate thesis.

Course Organization:

The class will function in much the same manner as it did in the fall term. There will be three formal workshops during the regular scheduled class time (Friday afternoons 1:30 to 4:30 in RC-2005) (see schedule below). Each student will also be expected to make a formal presentation of their results. These presentations will be open to the public.

Course Grading / Deadlines:

Thesis Presentation	20%	(Fri, April 5)
Thesis Draft (written)	0%	(due: Fri, Mar 1 rd)
Completed Written Thesis	80%	(due: Fri, Mar 29 th)
	<u>100%</u>	

A **completed draft** of your thesis is to be submitted to your advisor by Friday, March 1st. This will allow your advisor time to review your work, make suggestions for last-minute changes, and for you to carry out the recommended changes. **Final Oral Presentations** will be scheduled for the afternoon AND evening of April 5th, 2019. Refer to the course manual for details on how oral presentations will be graded.
