The Statement of Interest is an important opportunity for you to present additional information in support of your application.

In **two double-spaced typed pages or less**, please:

- A. State your research interests, clinical interests (if applicable), and professional goals;
- B. Indicate faculty members whose research is of interest to you (Adjunct Faculty may serve as the thesis supervisor for Masters students);
- C. Clarify how your interests fit with the focus of this program, and;
- D. Summarize any previous research experience, clinical training, and work experience of an applied nature. Where appropriate include a separate "reference" page which lists your contributions to scholarship, such as, undergraduate thesis, conference presentation, published papers, and papers in preparation.

Remember to attach this document on the front of your typed pages.

Thank you.
