Why Lakehead University?

Thunder Bay is one of Canada's top emerging cities. Here you will find a mix of modern city living and the best of nature – all on your doorstep. Thunder Bay provides small city affordability, big city opportunities and the bonus of a superior lifestyle. When it comes to location, nature and cost of living, Thunder Bay is one of the best places to live in Canada. For more on the vibrant city of Thunder Bay, visit thunderbay.ca.

At Lakehead University we challenge the conventional to provide a university experience that's far from ordinary. Your unique ideas will be respected and encouraged. Join our thriving academic community where you can make a real difference through innovation and collaboration.

Lakehead is a comprehensive University with a reputation for innovative programs and cutting-edge research. In 2022, for the third year in a row, Lakehead University was included in the top 100 of the Times Higher Education Impact Rankings. Lakehead is the highest ranked university in the world with under 10,000 students. Maclean's has once again included Lakehead University among Canada's top 10 primarily undergraduate universities in the magazine's 2023 University Rankings.

About this Job

The Faculty of Engineering seeks a dynamic self-initiating technologist dedicated to exemplary lab instruction and guidance of students, housed in the Department of Civil Engineering at Lakehead University, Thunder Bay Campus. The position reports to the Chair of the Department of Civil Engineering. The position is expected to start as soon as the position is filled.

Job Duties

- Prepare samples for teaching and research.
- Prepare and supervise students' experiments.
- Assist in maintaining and calibrating Departmental equipment (e.g., testing apparatuses).
- Assist in curation and maintaining the Department's teaching collection.
- Train summer undergraduate research interns, honours thesis students, graduate students and research associates in sample preparation techniques and various test setups.

Employment Opportunity

- Practice safe work habits, including complying with all safety, health, and environmental rules and regulations.

Qualifications

- Minimum qualification for the position is a technology diploma in Civil Engineering. A B.Eng. in Civil Engineering and professional registration are preferred.

Working Conditions

- The incumbent will be expected to work in laboratory environments with minimal supervision.

What do We Offer?

This position offers a competitive remuneration package including salary, comprehensive benefits package, life insurance, pension plan, and tuition waiver.

Lakehead University has a commitment to supporting employees and providing opportunities for flexible and diverse work arrangements. We are proud to share the [Alternate Work Arrangement Guideline](#) as a step to creating innovative schedules that work for our employees to promote a quality work-life balance. Please inquire with the hiring manager if this position is eligible for an Alternate Work Arrangement.

How to Apply

Review of applications will begin on March 15, 2024, and continue until the position is filled.

For further information, please contact Dr. Jian Deng, Chair, Department of Civil Engineering at jdeng2@lakeheadu.ca. Detailed information on the Department and our programs is available at: www.engineering.lakeheadu.ca.

Interested applicants may apply by clicking on this link to [this Google Form](#) and attaching your cover letter and resume in word or PDF format.

If you are experiencing any issues with the Google Form, please email careers@lakeheadu.ca for assistance.

We appreciate your interest; however, only those selected for an interview will be notified. Lakehead University is committed to creating a diverse and inclusive environment and welcomes applications from all qualified individuals including women, racialized persons, Indigenous people, persons with disabilities and other equity-seeking groups. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. This is in accordance with Canadian immigration requirements.

Lakehead University is committed to supporting an accessible environment. Applicants requiring accommodation during the interview process should contact the Office of Human Resources at (807) 343.8010 ext. 8334 or human.resources@lakeheadu.ca to make appropriate arrangements.
