

## **FACULTY RESULTS FOR STUDENT SATISFACTION SURVEY (COURSE) 2004/2005**

In March 2002, based on a report of the Senate Committee on Teaching and Learning, Senate approved changes to the Course Evaluations (By Students) Senate policy. The changes provided for a new survey instrument called **Student Satisfaction Survey (Course)**. As well, the policy provides instructors with the opportunity to make the results available for inclusion on the University Web site.

Attached is the survey instrument and the results (listed by faculty and department) for the instructors who have agreed to make public the results of their surveys.
