

## **Labs**

The lab time is intended to facilitate your understanding of the material. Though not mandatory, it will be beneficial to attend; we will use the time to reinforce concepts through explanations and examples.

## **Class Policies**

I would appreciate that you show up on time, if you decide to come to class. Also, please turn off your phone while in class. Midterms and exams must be taken on the date assigned and there will be no books, calculators, cell phones, or other aids allowed during the exams.

## **Evaluation**

- Drop-off location: MATH 1171 FA assignment box on the second floor of the Ryan Building
