

Lakehead University
Department of Mathematical Sciences

Math 4030 SA Probability and Statistics (2010 Spring session)

Instructor Dr. Sergey Ulanov
Office: RB-2006,
E-mail: sulanov@lakeheadu.ca

Email Communication: Any time. Don't forget to include the course number, your name, and keywords in the subject line. For example, "Subject: Math 4030, John Smith, formula for standard deviation" (otherwise your message will not be opened).

Textbook: Richard Johnson, Miller & Freund's Probability and Statistics for Engineers, 7th Edition.

Course Content: Chapters 1 – 7, 9-10.

Lectures: Students are expected to attend all lectures prepared. Preparation includes review of the previous lectures and preview of the upcoming lecture.

Office hours: I do not have special office hours. Ask me about the meeting by e-mail and we will find the day and time to discuss your problems

Final exam: The final exam is open-book. Students are allowed to bring few pages of personal study notes and a non-programmable calculator. Related tables, when needed, will be provided.

The final exam will be written in the scheduled three hours. **It will cover all of the course material.** Further details will be provided closer to the exam date.

The final grade will be based on the final exam marks.
