Math 3233 Course Outline

Instructor: A. Dean , RB 2009, ext 8689. email: andrew.j.dean@lakeheadu.ca

Office Hours: Fridays 1:30-3:30 or by appointment or happenstance.

Text: *Introduction to Real Analysis*, R.G. Bartle and D.R. Sherbert, John Wiley and Sons.

Grading Scheme: There will be two term tests worth 20% each, and a final exam worth 40%. The remaining 20% will be for homework assignments. These will consist of both written solutions and presentations.

Term Tests and Final Exam: The two term tests will be held during class time in the class room. They will be **closed book** with **no calculators or other aids allowed**. The material the term tests will cover, and the dates, will be announced in class. **The final exam will also be closed book with no calculators or other aids allowed.** The final exam will cover the whole course.

Drop Date: The final date to withdraw from this course without academic penalty is Wednesday March 7.

Special Exams: Students who fail this course but attain a mark of 40% may be entitled to write a special exam. See the calendar for details.

Academic Dishonesty: All cases of academic dishonesty will be dealt with according to the university's Code of Student Behaviour and Disciplinary Procedures, copies of which are available from the registrar.
