

Year 1 Registration Guide – SGEI BScN Program 2026-2027

Register for all required courses (Fall, Full Year, & Winter courses) at time of registration. The courses you are registering for are listed below with the SGEI section code. If you register for other sections, you may receive an error message. Review the course Timetable and go to the “Student” tab of your myPortal account to register for courses. Courses will be offered via Telepresence or Zoom and most will require in-person attendance at your SGEI site. Dates and times to be announced. Please watch your Lakehead University email for updates. If you are having trouble with Registration, please contact: **Enrolment Services - Student Central** [Contact Page](#) or [Inquiry Form](#).

** NURS-1512 is a unique, three-part course that includes a one-hour theory class, a two-hour lab, and one day of clinical each week.

NURS-1512 Practicum (clinical placement) will not show on your student schedule in Winter term. The placement will be on either a Thursday or Friday (approx. 0700 to 1400 hrs). You will be advised where and when well in advance of your placement by your clinical course lead and D2L course site.

To be eligible for the NURS 1512 Clinical Placement you must submit all required clinical documents to Synergy. Please see the School of Nursing website for further information about [Required Clinical Documents](#). Questions about Synergy should be directed to the [Synergy Help Desk](#). Eligibility for clinical or other lab/clinical questions should be directed to the SGEI Nursing site coordinator.
