

Year 4 Registration Guide –BScN Students **Registered in NURS 4501 ADE**

Register for all required courses (Fall, Full Year, & Winter courses) at time of registration. The BScN 4th Year schedule is divided into four (4) six-week blocks. The courses you are registering for are listed below with the appropriate section code.

1. Nursing Leadership	NURS-4050- FB (second 6-week block of Fall term)
2. Nursing Research	NURS-4051 FB (second 6-week block of Fall term)
3. Advanced Topics in Nursing	NURS-4111 FB (second 6-week block of Fall term)
4. 0.5 Elective	If not taken previously, (total of 1.5 FCE electives required in Nursing program).
5. Relational Nursing Practice 8	NURS-4501 (taken in ADE, no registration in the fall)
6. Relational Nursing Practice 9	NURS-4502-WA (only if you wish to finish in February)
7. Relational Nursing Practice 10	NURS-4503 FA (virtual clinical)

Total program requirement for electives = 1.5 FCE. You must have 1.5 FCE electives to be able to graduate. The LU degree audit tool on myInfo does not always pick up the electives and may tell you that you don't meet the requirement. We do a hand audit at the School, so we will note electives even if not identified in myInfo. Not to worry!

In the fall term, NURS 4503 will only be offered in the first 6-week block. Students in 4501 ADE will automatically be registered in NURS 4503 FA.

In the Winter term, NURS 4502 is offered in the first 6-week block. Students will be finished their nursing program by February. Students will use the clinical placement platform HSPnet to determine when they have been assigned to clinical. Please watch your Lakehead University email for information about 4th year placements.

To be eligible for Year 4 clinical placements you must submit all required clinical documents to Synergy. **The due date is June 1st.** Please see the Nursing website for further information about [Required Clinical Documents](#)

Review the course [Timetable](#) and go to the “**Student**” tab of your myPortal account to register for courses.

Remember to check your myPortal account regularly for registration updates and access to the Nursing Fast Pass sessions.

Registration for year 4 opens on June 19th.
