Lakehead University is committed to creating a diverse and inclusive environment and welcomes applications from all qualified individuals including women, racialized persons, Indigenous people, persons with disabilities and other equity-seeking groups. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. This is in accordance with Canadian immigration requirements.

Lakehead University has an [Equity, Diversity and Inclusion Action Plan 2019-2024](#) with a goal to recruit and retain a diverse workforce as measured by increasing representation of under-represented groups among applicants, candidates and hires.
