2311- CRIMINAL LAW- ESSAY OPTION-2015

Prepare a 5-10 page, typewritten, double-spaced essay, using 12 point font, on one of the following topics:

(1) “Punishment should fit the crime. Murder should result in the death penalty. A sexual offence should result in surgical removal of the sex organ in question. Provide your opinion on how punishment should be dealt with in our law so that it serves as an effective deterrent to criminal activity.”

(2) “The Government of Canada is imposing more mandatory minimum sentences. Discuss the concept of mandatory minimum sentences and what, if any, deterrent value it has had in other countries. Discuss the challenges, societal and/or legal and/or political, of mandatory minimum sentences. Offer your opinion on the advantages and disadvantages of mandatory minimum sentences in our criminal law.”

(3) “Sentencing of offenders should be culturally sensitive. Appropriate sentences could result in reducing the number of repeat offenders. Discuss this proposition and consider the manner of sentencing/punishment in other cultures and societies, currently or historically or both.”

(4) “The Charter of Rights and Freedoms sets out the extent of our rights and freedoms. Discuss whether rights and freedoms are more restricted by virtue of having a written charter. In your answer, consider other countries, their constitutional history and their historical experiences.”

(5) “The Youth Criminal Justice Act has been an abject failure in terms of deterring youth crime. Discuss whether you agree or disagree with this proposition. In your answer, consider alternatives to dealing with youth crime from other cultures and/or countries.”

Your essay should include citations and a complete bibliography. It is worth 30% of your final mark and is due no later than October 19, 2015. The essay is optional but will count toward your final grade once it is handed in. To obtain a good mark, you must not use merely internet sources- journal articles or texts are the legitimate research sources that must be utilized.
